

## Kanji Stroke Order Practice Sheet

苗 – sapling, seedling, shoot

JLPT Level: N1

## Onyomi: ビヨウ, ミヨウ

**Kunyomi:** なえ, なわ-

## Stroke Order (1 → 8)

A handwriting practice grid for the Chinese character '苗' (miao). The grid consists of six rows and six columns. The first three rows illustrate the stroke order: the first row shows the top horizontal stroke and the vertical stroke on the left; the second row adds the second horizontal stroke and the middle vertical stroke; the third row completes the character with the bottom horizontal stroke and the right vertical stroke. The last three rows show the fully formed character '苗' in black, with each row featuring a slightly different stroke weight or line style.

Guided practice – write the Kanji repeatedly:

## Extra practice — practice writing the Kanji:
